

oh oh two point bee
update version issue!
with advancements in
3d render
technologies, utilizing
dynamic height maps
made from source gif
output.

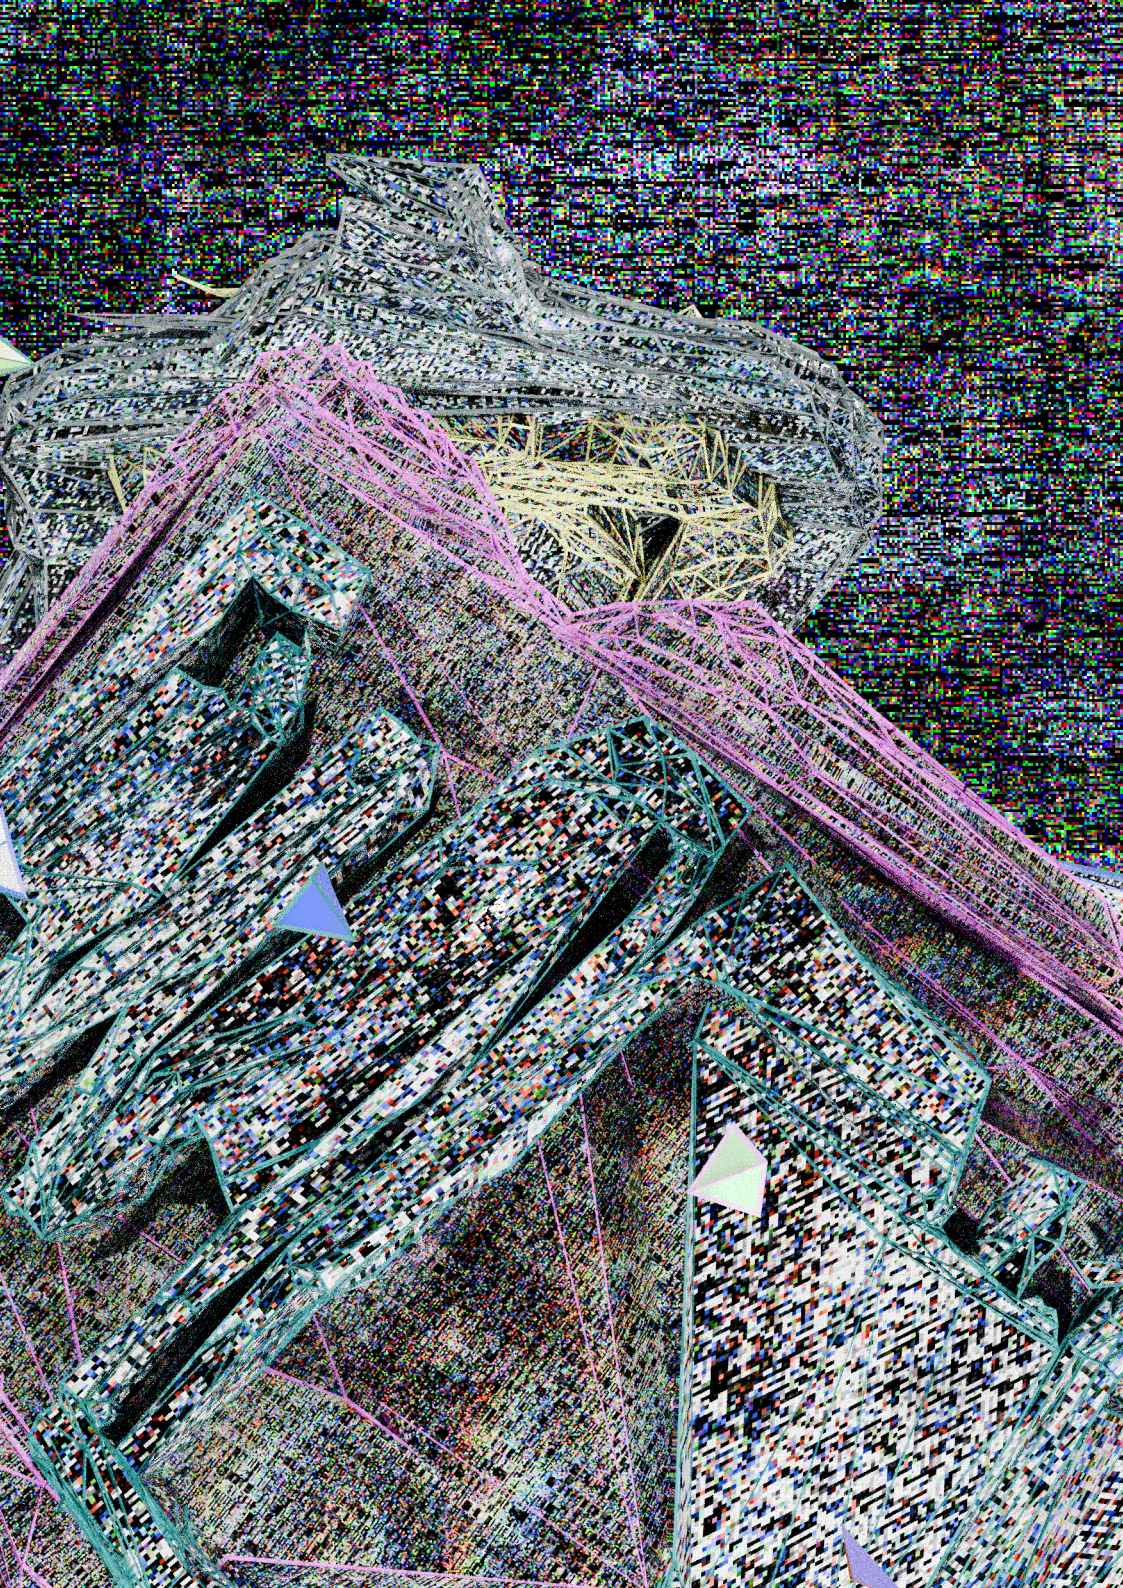

all BIG DATA 001, 002,
003 (also 004) will be
re-released then
compiled to
aggregate issues.

expect to see
001, 002, 003 issue
sometime soon™
